ABOUT

Aspiring AI and ML student with strong skills in Python, SQL, and data analysis. Hands-on experience in data visualization using Power BI and Tableau through a virtual internship**.** Passionate about solving real-world problems using data-driven insights. Quick learner with a strong ability to adapt to new technologies and tools. **QUALIFICATIONS**

Degree	University/School	Passing Year
B.Tech- CSE	IILM University, Greater Noida	2023-27
12th Class	Rajendra College, Chhapra, Saran	2021-22
10th Class	Utkrmit M S Dumari Manjhi, Saran	2019-20

INTERNSHIP EXPERIENCE

Data Science Master	AICTE – EduSkills	Jan 2026 – March 2026

- Performed data analysis using Python and SQL to clean, process, and interpret datasets.
- Created interactive dashboards using Power BI and Tableau to visualize insights.
- Conducted exploratory data analysis (EDA) to identify trends and patterns in data.
- Worked on real-world case studies to develop analytical and problem-solving skills.

ACADEMIC PROJECTS

Traffic Management System using AI, (May-2025)

- Designing an AI-based traffic analysis system to optimize signal timings
- Using computer vision (OpenCV) and data processing (Pandas) to detect vehicles and analyze traffic density
- Aim: Reduce congestion and enhance road safety through intelligent traffic flow management

MediX-Ray AI – Chest X-Ray Disease Detection – Ongoing, (December-2025)

- Designing deep learning model to classify chest X-rays into Normal, Pneumonia, and COVID-19
- Applying data augmentation and CNN optimization to maximize diagnostic accuracy
- Aim: Create AI-powered diagnostic tool to assist medical professionals

TECHNICAL SKILLS

- **Programming Languages:** Python, Java
- **Database Management:** MySQL, Excel
- **Software Tools & Platforms:** Git, GitHub, VS Code

CERTIFICATIONS

- Introduction to Artificial Intelligence – Coursera, October 2024
- Programming in Core Java - infosys springboard, Nov 2024
- Python Fundamentals – Infosys Springboard
- AWS Academy Machine Learning Foundations – AWS Academy, July 2025
- Introduction of c programming -- Infosys Springboard, Dec 2024

- Java concept -- Infosys Springboard, Feb 2025
- Introduction to Machine learning – Data Flair, Nov 2025

HOBBIES

- Playing cricket and actively participating in team sports.
- Travelling and exploring new places
- Watching movies

LANGUAGES

- English
- Hindi
